Distorts And

A Mind Of Its Own

Cordelia Fine

introduces us to a brain we might not want to meet, a brain with a mind of its own. She illustrates the brain's tendency toward self-delusion as she explores how the mind defends and glorifies the ego by twisting and warping our perceptions.

Your body has a mind of its own. You know it's true. You can sense it, even though it may be hard to articulate.

You know that your body is more than a vehicle for your brain to cruise around in, but how deeply are mind and body truly interwoven? Answers can be found in the
