The Land Rover series I, II, and III (commonly referred to as series Land Rovers, to distinguish them from later models), or simply the Land-Rover, are compact British off-road vehicles, produced by the Rover Company since 1948, and later by British Leyland. Though unapologetically inspired by the World War II jeep, the Land Rover immediately distinguished itself from all other cars.

The Range Rover Classic is a 4x4, mid-size Sport utility vehicle series produced from 1969 to 1996 – initially by the Rover (later Land Rover) division of British Leyland, and latterly by the Rover Group. The first generation of vehicles produced under the Range Rover name, it was built as a two-door model for its first 11 years, until a four-door also became available in 1981.

Foldable mobility scooters can be used in certain terrains and conditions. Because of their light weight, they may not function as well on snow and mud, steep hills, or tall grass. They are ideal for flat and dry surfaces. Patches of land that are covered with short cut grass and soft inclines are also well-suited for these scooters.
